From the desk of the Exalted Ruler...

The Convention in Minneapolis was fantastic. Our new Grand Exalted Ruler James M. McQuillan is a vibrant and enthusiastic leader with wonderful plans for the Order in the upcoming year. Guess what?!? On March 28-29 and April 1-2, 2005 he will be visiting our Lodge as he makes his way around the Lodges. Scott and I are planning some wonderful events around his visit and will be announcing them later on as we finalize all the coordination required. I hope you will all come out and visit with the Grand Exalted Ruler as he honors our Lodge with his visit next year. It has been a wonderful learning experience attending the Grand Lodge Convention as your representative. I met many new and exciting people and made lots of new friends and exchanged many new ideas with Elks across this great land.

One sad point was prevalent during the Convention and I want to share this point with you, the membership. We (ALL of Elkdom) are losing good members through Lapsation and death of our members; the numbers speak loudly over 21,000 last year. We have been losing for the last 8 years. We as Elks must figure a way to stop this bleeding. Like I said in my budget presentation we are here to stop the bleeding and every member must help and share in this project if we want to continue to exist. So holds true in membership. This month we will begin running a delinquent list in our Antlers and on our bulletin board. I need your help in contacting these members that have gone astray. We need them back in our flock. The Grand Exalted Ruler issued a challenge; no begged us; the Exalted Rulers in attendance to help him in this pursuit. His goal/idea is that each member proposes one person they know to be an Elk this year. This would double our membership!! And to go along with that; that each Officer in the Lodge propose an additional member. Not a bad idea!!

Can we do this?? I think we could if we really tried and put our mind to it. If you are not comfortable approaching some one about becoming a member of the Elks leave me their name and address and phone number along with your name and phone number and we will get together to talk Elkdom.

Ok, back to the Lodge, Thank you, Thank you and Thank you, for the support at the Round-Ups and Lodge functions. Due to your wonderful support and enjoyment, we are working on the plans to do a 3rd Round-Up in October some time probably around the first half of the month. We had 189 members attend our last one and all had a very good time that night.

Lastly, I hope to see you one and all at the Lodge for our Steak Feed on Tuesday August 10, 2004 and at the Lodge Meeting which will follow. Until then, I remain,

Fraternally Yours

Gerald Morrow
 Exalted Ruler

I hope everyone is enjoying their summer. We have had plenty of activities at the lodge and many more coming up later this month and into the fall. Don't forget to stop by the Lodge and patronize the dining room or social quarters. Remember as an Elk, you are welcome at any Lodge in the country, so while you are on vacation, make it a point to stop at a Lodge in the town you are visiting.

I recently had the opportunity to have a spirited conversation with a member regarding errors and omissions within the Antlers. I need to remind everyone, especially the committees that information to the Antlers must be provided in a timely manner. Cut off dates are the 5th of the month for hand written articles and the 10th of the month for electronically submitted articles for inclusion in the following months Antlers. It is the responsibility of the person submitting the information to insure dates, times costs, etc. is correct. Because of the size of our Lodge and the number of committees, it is not possible for the Editor or the proof readers to know the details of every event. Also, all hand or typewritten submissions must contain a contact name and phone number so we can questions things that just don't seem quite right. When errors are found after printing we do have a way to get the corrected information out quickly, which brings me to the next item.

Our web site at www.elks378.org contains just about everything about what is going on at the lodge. Upcoming Events, Dining Room specials and photos from past events are on the web site. In the event of a change we will post the information as soon as possible on the opening page. As well, information about new events are often posted on the web site before the Antlers hits your mailbox. If you have Internet access, visit our site and bookmark it for future reference.

On October 8th at 7:00pm we will be sponsoring a dance to benefit the Washington County Food Bank. Ho-Kiss Po-Kiss will be providing the entertainment for the dance. Tickets for the event are \$10 per person and can be obtained from the Lodge office or through your church. This event is open to the public and all seats are reserved. Purchase your tickets in advance as we expect this event to sell out.

Later in October we will be holding our annual Children's Halloween Party. As was the case last year, pre-registration will be required. Registration forms will be printed in the September and October Antlers and will also be on our website.

As a final note, I am in the process of planning the calendar of events for the 2005-2006 lodge year. Already many dates have been booked by outside interests as well as Lodge activities. If your committee is planning on holding a function at the Lodge, please contact me as soon as possible to get your date in the calendar. I look forward to seeing you at the Lodge this fall.

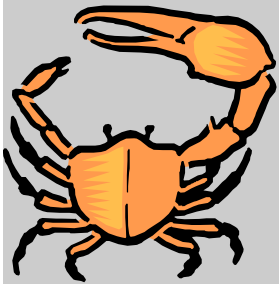

Fraternally,

Scott Wishard
