LODGE MEETINGS**

It seems like yesterday that the lodge year had begun. Now as we enjoy the summer months it is important not to forget to patronize the lodge and the events that will take place during the summer months. We will be having family picnics, a pig roast with live entertainment, meetings at the picnic grounds and much more. The employees will be holding their annual 4th of July Family Picnic for the members as well. The bar and kitchen and dining room facilities will continue to remain open as usual for your convenience. As you go about your summer activities, stop by the lodge and enjoy a cool drink, and a fine meal prepared by our first class kitchen staff.

The Elks National Convention is held in July. This year it is being held in Reno Nevada. I will be attending the sessions of the Grand Lodge to assure that the interests of our lodge are represented. I will be reporting on the events of the trip at the 1st Lodge meeting in September.

We are continuing to try to find different activities and forms of entertainment that will appeal to a broader group of members. With any luck, by the time you read this, the lodge will have the Maryland Lottery games and Keno available. While I believe we are the first club in Washington County to offer the Lottery, I have spoken to two other Elks Lodges in the state that currently offer it. They have reported the inclusion of the Lottery as having a positive effect on the operations of their lodge. I invite you to stop by the lodge have a drink or two, maybe some of the good food we offer and play for a little while.

As we move into the fall and winter months, we have many activities planned. The calendar is full. There will be something for everyone. I also urge you to attend at least one lodge meeting this year. Initiations will be held on the 4th Tuesday of the month in September, October and November (the November initiation date is subject to change). The officers have been working hard to perform a first class initiation ritual. Please make it a point to attend at least one initiation, it will provide a good refresher as to what the order is all about.

Finally, if you have not paid your dues, please do so as soon as possible. Shortly we will be publishing a list of those members who are delinquent. DO you part to assure your name is not on that list.

Fraternally,
Scott Wishard, ER.

SLEEP OUR MEMBERS AND PEACE BE WITH YOU

Ladies of The Elks and Associates

This time of year is for picnics and vacations and the L.O.T. E.A. will not be meeting in July and August, so that you may relax and not worry about meetings.

Make sure you sign up for the September dinner meeting. Phyllis Zittle is taking reservations. She is also taking reservations for tables for the Bazaar in November. Her number is 301-733-8408.

We lost two members in June Charles Kauffman's wife and Judy Malecki. There has been a lot of sickness within our club, such as bronchitis, inner ear problems and pneumonia. I hope warm and sunny weather is on it's way to perk us up.

Don't forget to buy or sell tickets for our Bonanza in October. These tickets sell fast. When you get your newsletter, please read it, there is so much good information to read. It lets you know what is going on in the club.

"I thank thee, Lord, as a Volunteer
For the chance to serve again this year.
To give of myself in some small way
To those not blessed as I each day
God bless all of you."
