Material for The Antlers may be placed in the bulletin mail slot outside the lodge office or e-mailed to mew@scottwishard.com (Subject: first word "ELKS") by the 10th for the following month. Deadline for handwritten material is the 5th of the month.

Letters to the Editor MUST include the submitter's name.

It seems like yesterday I was writing my first article for The Antlers and now I'm writing my last one! I would like to thank every member who has supported me during my term. I hope you will continue to support Gerald Morrow with his year! For those of you who don't support the Lodge, I hope you may find a change of heart and become more involved. With your support you can help us ensure the future of the best Lodge "Club" in Washington County!

I would like to thank a few members and officers who went "beyond the call of duty". First of all, thanks to Joe and Deb Barresi for all their hard work and support this year.

Dominick and Donna Dimercurio for their support and ideas. We need to get out and golf soon! To my Award winners this year: Outstanding Service Commendations, Becky Shepherd and Debbie Shaw thank you for your hard work and support. To my Elk of the Year, Charles Kauffman; thank you Charlie for all the work you do with the grounds committee and your project, the gas line. No words can express all the hard work you and your committee do around the

Lodge. A very special thank you to PER Dave Kauffman for all the remodeling you have done around the inside. Your skill and talent is very appreciated. To PER, PSP Greg Wilkes and Carol, thank you for all your help. Most members don't realize that being a single ER, sometimes you have to borrow a PER's wife to help you with the planning of events. Thanks Carol, we will always have brandy peaches. This year's Distinguished Citizenship award went to Samuel Ferguson and is well deserved. One of my many goals was to paint the ball room. I started with the help of Wally Shepherd and before you knew it, Sam told us to get out, he would do it himself. Sam does just about anything around the lodge without being asked, serves on the credentials committee, buses tables, and so on - just don't ask him to dance or sing.

It was a true pleasure to have the next person that I am going to recognize on the board with me. A lot of times we didn't see eye to eye on things and this person has been very hard on me since I became Lecturing Knight. We've had our ups and downs, but he has truly turned out to be a great friend, both personally and professionally. Sometimes you actually hear this man before you see him, so that is why I choose PER Wally Shepherd as my Officer of the Year! Please do not feel that just because I didn't mention you personally in this article that you didn't help; all my committee persons did a great job!

My goals for this year were just about a complete success. A few things were not completed due to budget restraints.

I want to thank all of the employees. I could not have asked for a better group of employees. This year could not have been a success without the endless support from Joni Ecton. Thank you for everything!

On Wednesday, March 24th, we will be having our Committee Feed. All committee members are invited for dinner. Details are on page 8.

In closing, it was truly my pleasure to have served you this year. Remember our success as a lodge depends on the support of its members. I will try to remain active and support Gerald. I will remain very active in Washington County and I will continue as President of the Board of Directors for the American Cancer Society. I am also on the Board of Directors of Hagerstown Sunrise Rotary, the Washington County Chamber of Commerce with the Ambassadors Committee, and I have been asked to sit on The Board of the Hagerstown Free Clinic. I think I still have time for my business! Thanks to all once again-I couldn't have gotten through this year without everyone's support.

Fraternally,  
Michael E. Barnes
